# The R.B.O. College Book Buy Program

Beginning September 1, 2005, The Russian Brotherhood Organization of the USA would like to introduce our newest Fraternal Benefit to our members. **The College Book Buy Program** will assist our members entering or attending college by reimbursing **10%** of your college book bill.

To qualify, simply obtain a \$5,000 or more 20 Payment Life Policy during the student's freshman, sophomore, junior, or senior years of college (Associate/Bachelor or Graduate Degrees). After that, you may be reimbursed each semester up to the amount you pay for your annual dues provided your dues are current.

Just send a photocopy of the school bookstore receipts to the Russian Brotherhood Organization of the USA at the address provided above, attention: *Heather M. Bradley, Corporate Secretary/Office Manager*. You may take advantage of the plan for a maximum of 4 years.

The College Book Buy Program is in addition to any Scholarship you may have earned from the Russian Brotherhood Organization of the USA.
