Russian Brotherhood Organization of the U.S.A.

ANOTHER RBO FRATERNAL BENEFIT

The Russian Brotherhood Organization of the U.S.A. (RBO) has, over the past many years, served the Slavonic people in many ways. It is the only Russian Fraternal Society having its origin here in America.

Today, emphasis is on education, removal of ignorance, hunger and poverty are the prime goals of all world leaders. Here in America, it is in this spirit that the RBO offers the opportunity for its young members to receive a higher education. This is the free will of unselfish men and women to improve the lot of its children and grandchildren. They can only make the offer; acceptance will be the free will of young students having a desire for higher learning and the perseverance to endure the hard work of study.

ABOUT THE SAINTS

The R.B.O program was appropriately named in honor of the brother Saints Cyril (who, prior to his monastic vows was named Constantine) and Methodius; appropriately, because they were scholars and educators and also the patron saints of the R.B.O. Together they opened an entire new world of understanding of the gospel of the Slavic race through education.

They were responsible for bringing Christianity and enlightenment to the Slavic people; established schools, built churches and trained priests. They invented a new alphabet and a written language which is still used in most churches of the Orthodox faith and in the Greek Catholic Byzantine faith.

SS. CYRIL & METHODIUS SCHOLARSHIP PROGRAM

Each year scholarship awards will be made available by the R.B.O. on a competitive basis. Awards will be renewed for an additional 3 years.

Winners of the SS. Cyril and Methodius Scholarship may attend any accredited college, university, seminary or nurses training center in the U.S., and may select any four year course of study leading to a bachelor's degree except seminary and nursing students.

The scholarships award will be sent directly to the student.

ELIGIBILITY

To qualify for the competition, the applicant must hold a RBO life insurance certificate of not less than \$10,000 and in force for 2 years and be a member in good standing of the society. Endowments excluded.

If the membership of the applicant is terminated then in that event the RBO reserves the right to cancel the scholarship award. The applicant is also expected to maintain active status in the organization and if his or her certificate becomes paid up, such applicant should sign up the R.B.O. for an insurance certificate of \$10,000 or more.
