Dear Sirs and Madams:

Please accept my credentials in consideration for this award. I am a student in a (two-year/four year) college program, and I have attached a copy of my transcript and have briefly answered the question at the bottom of this form. I understand that eighty percent of the weight of the consideration by the judges will be comprised of my academic achievement, and twenty percent will be based on my civic, church, fraternal, volunteer, and extracurricular activities and the brief essay.

Civic, Church, Fraternal, Volunteer, and Extracurricular Activities:

(List with Approximate dates- Use a Separate Sheet if Necessary)

In a typed essay (not to exceed two pages) please address the following premise. One of the RBO's core tenets is fraternalism. The philosophy of the brotherhood of man has driven many of the decisions that have been made over the course of our 124-year existence. Modern day technological improvements continue to create an interesting irony. Despite the ability to interact with anyone around the globe at a moment's notice, the number of people that feel lonely and isolated continue to increase. Why do you feel fraternalism is so necessary in our society and how do you foster meaningful relationships in your life?

Answers may be typed or printed- use separate pages if necessary.

Absolute Deadline is September 30, 2024
